

# Magnify

by Koti Hu

G C  
Lord I come to you broken, Over and over again

D D7 G  
Lord I ask for your Holy Spirit to come in.

G C  
Won't you give me a clean heart? For that's my only desire

D D7 G  
Is to worship You, the all consuming fire...

PreChorus:

G D Em D  
I will praise, the Holy. Glorify, my one and only

C Am D G  
Give my life to magnify Your name...

Chorus:

C  
And my heart cries, "Worthy, Worthy!"

G  
And my soul sings, "Holy, Holy!"

Em D C  
I give my life to magnify Your name

G C  
Won't You bless me oh, Father? In Jesus' name I pray

D D7 G  
Take my vision, expand it everyday.

G C  
Holy Spirit ignite me, Guide me each step of the way.

D D7 G  
Protect me from the pain of wicked ways...
