All I Want **Capo 2**

By Stephen Smith

G D Em C
All I want is my frustration to be replaced with signs of spring
G D Em
All I want is confirmation that You're gonna see me through
C G
this thing, And all I want

G D Em C
All I want, All I want, All I want,
G D Em C G D Em C
All I want, All I want, All I want, All I want is You

G D Em C
All I want is just a window to let me know there's light outside
G D Em
All I want is confirmation that what I'm feeling it is,
C G
Feel it is right, And all I want
D Em C G
All I want, All I want, All I want, want is You

G D Em C G D Em C
*All I want, All I want, All I wanted, wanted, all I want is You

G D Em C
All I want is that You find me and I'd have nothing more to say
G D Em
All I want is pure reflection of the One who's standing
C G
Right in front of me, and all I want*
