Become the Center **(Capo 1)**
by Joel Engle

G D Am C
I keep faltering. I just stumble and fall when I'm on my way
G D Am C
All my weakness is a simple reminder that I need You
Em C Cm
I keep holding on to You, You keep holding on to me

(Chorus)
G C Em C D
Jesus I need You, Oh how I need You, every second of every day
G Am C G
Jesus I need You, this moment I need You. Become the center of me

G D Am C
I'm so helpless, living inside this fear. It's Your courage I crave
G D Am
I can't carry these burdens upon my back
C
Will You come and save the day
