

# Beyond These Skies

by Sherri Youngward

Em Bm  
It's in your eyes, It's in your silence

Em Bm  
The way that you hide, with your well placed smile  
Em Bm

I'm standing alone, even when I'm beside you

C D  
Inside we know, this is where you belong

C D  
Don't walk away, Don't walk away (x2)

(Chorus)

G D Am  
I can almost see you standing there

G D Am  
With arms open wide He'll call you near

G D Am  
Forever He'll dry your eyes

G D Am  
Forever beyond these skies

Em Bm  
Can I lend you my hand, my shoulder to cry on

C D  
I'll give you my heart, It's yours anyway

C D  
Don't walk away, Don't walk away (x2)

(Chorus)
