Captivated
by Vicki Beeching

C F G
Your laughter it echoes like a joyous thunder
C F G
Your whisper it warms me like a summer breeze
C F G
Your anger is fiercer than the sun in its splendor
C F-G F-G F-G
You're close and yet full of mystery, Ever since the day that I saw Your face
F-G F G F G
Try as I may, I cannot look away, I cannot look away...

(Chorus)
C G F C G F
Captivated by You, I am captivated by You
C G F C F G C
May my life be one unbroken gaze, Fixed upon the beauty of Your face

C F G
Beholding is becoming, so as You fill my gaze
C F G
I become more like You and my heart is changed
C F G
Beholding is becoming, so as You fill my view
C F G F-G F-G
Transform me into the likeness of You, This is what I ask, for all my days
F-G F G F G
That I may, never look away, never look away...

(Bridge)

No other could ever be as beautiful
F C G G F-G
No other could ever steal my heart away (x2) … I just can't look away...
