

Chains Could Not Bind Him

by Ken Sutton

G C G C G
Who was this man from Galilee, who healed the sick, made blind men to see
Em C
His words astounded friends and His enemies
G C-D G
So they longed to know this man from Galilee
C G C G
He came to earth a sacrifice for sin, which all we have to offer Him
Em C G C-D G
He lived a blameless life, a model for all men, He is the Word, beginning to the end

G C G
A crown of thorns they laid upon His head
C G
Then they whipped Him and laughed as He bled
Em C
When they nailed Him to the tree, they thought that it was done
G Em D G
They watched blood and water run, they had crucified God's Son

G D C G
But chains could not bind Him, the cross would not be the end
Em C D
And the tomb could not keep Him from rising on the third day
G D C G
Chains could not bind Him, lies would not stop them
Em C-G D G
For those that followed Him proclaimed Him Savior and Lord

A E D A
Chains could not bind Him, the cross would not be the end
F#m D-A E A
Now those that follow Him, proclaim Him Savior and Lord
D-E A
He's the Savior of the World.
