

# Come Break My Heart

by Eileen Jahna

C            G7            Am  
Oh Lord look on your child  
Dm            C                    G  
lost in emptiness and full of pride,  
C            G7    Am  
searching for the way  
Dm                    C            G  
to break the cycle of sin and of pain.

Am                                    G                                    C  
Oh Jesus come, come break my heart, come make me broken,  
Am                                    Dm                                    G7  
I want to be your humble servant on my knees,  
Dm                                    G  
Let your love and grace abound in me,  
C                                    Am  
Let your spirit overflow,  
Dm                                    G                                    Am  
Oh Jesus, come and make me whole  
Dm                                    G                                    C  
Jesus, come and make me whole. (x2)
