

Come Quickly

by Tommy Walker

G C G C
He'll wipe our tears away, When dawns that final day,

G Am D
All mourning, death and pain will fade away.

G Am G C
And then we all will rise, And meet Him in the sky,

G C D G
When Jesus comes and takes us all away.

C G C
I'm listening for the sound, when the trumpet plays it loud,

G Am D
I'm watching for the clouds to roll away.

G Am G C
'Cause this day is my hope, it's all I'm waiting for,

G C D G
When Jesus comes and takes up all away.

G C
Come quickly, come quickly Lord

G C
Come quickly, come quickly Lord

G Am
This world is not my home, Don't wait anymore.

G Am G C
(end) 'Cause this day is my hope, it's all I'm waiting for,

G C D G
When Jesus comes and takes us all away.
