

Could I

by Kim McMechan

C F C
Could I just sit here awhile, know that there's nothing that I need to say

F C
Safe in the knowledge that You know my ways

F C/E Dm C/E F
Love me completely, no need to hide a thing

C F C
Could I just stay here awhile, letting You melt away all of my fears

F C
I feel Your comfort when You are so near

F C/E Dm C/E F
I'll hide myself in this shelter You've made for me

C F C F
Could I, Could I

C F C
Could I just kneel here awhile, doing what I was created to do

F C
Bowing in reverence, I long to adore You

F C/E Dm C/E F
Willingly, giving, all that I can surrender

C F C
Could I just rest here awhile, letting You whisper my burdens away

F C
In all of my journeys there's no other place

F C/E Dm C/E F
Where I find refuge, strength for my weary heart

C F
Could I (x4)
