Draw Me Close

by Kelly Carpenter

C F G C
Draw me close to You, never let me go,
G F
I lay it all down again,
C F
To hear You say that I'm Your friend.

C F G C
You are my desire, no one else will do,
G F
Cause no one else can take Your place,
C F
To feel the warmth of Your embrace,
C F G C
Help me find the way, bring me back to You.

C G F
You're all I want
C G F
You're all I ever needed
C G F
You're all I want
Dm7 G C
Help me know You are near.
