

## 101. For Those Tears I Died

C                    Am        F            G  
You said you'd come and share all my sorrows

C                    Am        F            G  
You said you'd be there for all my tomorrows

C        G        F            G  
I came so close to sending you away

C                    Am            F                    G    G7            C  
And just like you promised, you came there to stay, I just had to pray.

(\*CHORUS)

C    C7            F                    C  
And Jesus said, Come to the water, stand by my side,

G                                    G7        C  
I know you are thirsty, you won't be denied.

C7        F                                    C  
I felt every teardrop when in darkness you cried,

G        G7                                    C  
And I strove to remind you that for those tears I died

C                    Am    F                    G    C                    Am        F  
Your goodness so great I can't understand, and dear Lord, I know that all this

G        C                    G                    F                    G  
was planned. Savior, you're here now, and always will be.

C                    Am        F                    G    G7                    C  
Your love is so great and in you I'm free, but Jesus why me? \*

C                    Am    F                    G    C                    Am  
Jesus, I give you my heart and my soul. I know now, without God

F        G        C                    G                    F                    G  
I'd never be whole, Savior, you opened up all the right doors,

C                    Am                    F                    G  
And I thank you and praise you from earth's humble shores.

G7                    C  
Take me, I'm yours. \*
