

Get Back to You

by Eileen Jahna

G C G C

Father, I'd wandered so far

G C F D

got lost and turned around caught up in my day

G C G C

How could I know where I was bound

G C F D

then your love and graciousness turned my life around.

C D G C

How did I find a way to get back to you?

G C G C

Only through Jesus my Lord

G C G

Only through Jesus my Lord.

C D

The funny thing is now I see

G C

and the blind call me blind.

D

And the hardest thing is now I see

Em D

and they refuse to open their eyes.

G C G C

How can they find the way to get back to You?

G C G C

Only through Jesus my Lord

G C G

Only through Jesus my Lord.
