

In That Day

by Joe Sabolick

 C F
My heart is burning for that day
 Am Gsus-G
When I'll see You face to face
 C F
I'll keep watching and waiting
 Am Gsus-G
Staying focused on Your Word

(Chorus)

 Am F
I will see You
 Am F
I will touch You
 Am F
You will hold me
 Gsus-G
In that day (repeat)

 C F
My heart is burning for that day
 Am Gsus-G
When I'll see You face to face
 C F
There's a longing in my soul
 Am Gsus-G
To hear You say well done.

(Chorus)
