

## I Will Never Be The Same Again

D            G        G/B A    D  
I will never be the same again  
G            A            G/B A D  
I can never return, I've closed the door  
                  G            G/B A D  
I will walk the path, I'll run the race  
          G        Asus A G/B A    D  
And I will never be the same again.

(Chorus)

C            G/B A            D  
Fall like fire, soak like rain,  
C                    G/B        A            D  
flow like mighty waters, again and again  
Bb                    C            Am7            D  
sweep away the darkness, burn away the chaff  
Em7                    D        G            Asus  
and let a flame burn to glorify Your name.

D                    G                    G/B A    D  
There are higher heights, there are deeper seas  
          G                    A            G/B-A-D  
whatever You need to do Lord, do in me

the glory of God fills my life

and I will never be the same again.
