

I Will Sing

by Don Moen

Am F C G
Lord You seem so far away, a million miles or more it feels today

G Am F C
And though I haven't lost my faith, I must confess right now

C G
That it's hard for me to pray.

G F C
But I don't know what to say, and I don't know where to start

C F G
But as You give the grace, with all that's in my heart.

(Chorus)

G C F
I will sing, I will praise

F Am G
Even in my darkest hour, through the sorrow and the pain

G C F
I will sing, I will praise

F Am Em F G C
Lift my hands to honor You, because Your Word is true, I will sing.

Am F C G
Lord it's hard for me to see all the thoughts and plans You have for me

G Am F C G
But I will put my trust in You, knowing that You died to set me free.

G F C
But I don't know what to say, and I don't know where to start

C F G
But as You give the grace, with all that's in my heart.
