

Just Like You

(Capo 1 - to match Waterdeep version)

C G D
Find my heart at the bottom of the well I'm in, Find my heart

C G D
Lower your strong hand down and rescue me, Rescue me

D G
Its just like you to bring light into darkness

D G
Its just like you, Lord its just like you (x2)

C G D
See my soul in the place I fell into, See my soul

C G D
Lift my head from the shame I've bowed down to, Lift my head

D G
Its just like you to bring beauty to ashes

D G
Its just like you, Lord its just like you (x2)

Em A D A D
And I've been trying my whole life to be good without the cross

Em A D A G
But all that I have gained is this emptiness and loss

C G D
So speak to me in my hopeless lonely place, Speak to me

C G D
Raise me up when no hope seems to remain, Raise me up

D G G G
Its just like to bring (life to these dry bones) (beauty to ashes) (light into darkness)

D G
Its just like you Lord its just like you (x2)
