

Lover Of My Soul

by Jason Parks

G C
My broken cry, echoes in the night
Am G
My soul waits, for Your return

G C
I long to see You, I can't wait to touch You
Am G
Lord hear my cry, come to me.

G
Arise, lover of my soul
Em
I'm Yours, Yours forever more
Am
Call me by name
D
and I will run

G
Awake the passion in my soul
Em
Your eyes, right before my own
Am
Show me Your face
D
and I will run.
