

# Morning Star

by George Arnold

C            G        Am        F  
Bright and shining morning star

C        G        Am  
Rise upon my heart

C        G        Am        F  
Giving light for all to see

C            G        Am  
Who You really are.

F                            G  
Jesus, You're the One  
                          C        G        Am  
Who shines brighter than the sun

F                            G  
Let Your love shine through

C        G        Am  
In everything I do

          F        G        F        C  
Oh Jesus, I give my life to You.
