

My King and My God

by Dave Chumchal

G D Em C
As I look into the heavens, how foolish I would be
G D Em C
To deny the King of all this, and the crown inside of me
G D Em C
All the beauty and the splendor, the eternal power of God
G D F
Lovingly changing me beyond what I could ever dream of

G D Em
And I will worship here before
C G
My King and my God
G D Em
Seek my own way never more
C G
My King and my God
G D Em
Live to serve You everyday
C G
My King and my God
G D F
Understanding that You do supremely reign.
