

# Nothing Without You

Bebo Norman

D2 Asus  
Take these hands and lift them up  
Bm G2  
For I have not the strength to praise You near enough  
D2 Asus D2  
See, I have nothing I have nothing without You.

D2 Asus  
And take my voice and pour it out  
Bm G2  
Let it sing the songs of mercy I have found  
D2 Asus D2  
For I have nothing I have nothing without You.

(refrain)

G D G Bm  
And all my soul needs is all Your love to cover me  
G D A D  
So all the world will see that I am nothing without You.

D2 Asus  
Take my body and build it up  
Bm G2  
May it be broken as an offering of love  
D2 Asus D2  
For I have nothing I have nothing without You

(refrain)

G D G Bm  
All my soul needs is all Your love to cover me  
G D A  
So all the world will see that I am nothing
