```
G                        D                        C
I'm giving You my heart, and all that is within
        D   Em                        D         G
I lay it all down for the sake of You my King
                         D                                C
I'm giving you my dreams, I'm laying down my rights
              D       Em                        D       G
I'm giving up my pride for the promise of new life

(Chorus)
      Em-D     G          C     G     Em7  D   C
And I          surrender all to You, all to You
      Em-D     G          C     G     Em7  D   C
And I          surrender all to You, all to You

G                        D                            C
I'm singing You this song, I'm waiting at the cross
                       D      Em                D    G
And all the world holds dear, I count it all as loss
                                D                        C
For the sake of knowing You, the glory of Your name
                 D       Em                  D        G
To know the lasting joy, even sharing in Your pain
