

Candle Song (Go Light Your World)

by Chris Rice

G D
There is a candle in every soul,
C G-D
Some brightly burning, Some dark and cold,
G D
There is a Spirit who brings the fire,
C-D G-D
Ignites a candle and makes his home

G C
So carry your candle, Run to the darkness,
G Em D
Seek out the hopeless, confused and torn,
G C
Hold out your candle for all to see it,
G B Em-C
Take your candle, go light your world
G D G
Take your candle, go light your world

G D
Frustrated brother, see how he's tried to,
C G-D
light his own candle some other way
G D
See now our sister she's been robbed and lied to,
C-D G-D
still holds a candle without a flame

D G C
So carry your candle, run to the darkness,

G Em D
Seek out the lonely, the tired and worn,
G C
Hold out your candle for all to see it,
G B Em-C
Take your candle and go light your world
G D G
Take your candle, go light your world

A E
We are a family whose hearts are blazing,
D A-E
so let's raise our candles and light up the sky
A E
Praying to our Father, "In the name of Jesus,
D-E A E
Make us a beacon in darkest times!"

A D
So carry your candle, run to the darkness,
A E
Seek out the helpless, deceived and poor
A D
Hold out your candle for all to see it,
A-E A
Take your candle and go light your world.
D
So carry your candle, Run to the darkness,
A E
Seek out the hopeless, confused and torn,
A D A-E
Hold out your candle for all to see it, Take your candle,
A-D A-E A
go light your world, Take your candle, go light your world.
