

# The Happy Song

by Martin Smith

(Chorus)

G D Em C G D C  
I could sing unending songs of how You saved my soul,  
G D Em C G D C  
I could dance a thousand miles because of Your great love.

G D  
My heart is bursting Lord, To tell of all You've done,  
C D  
Of how You changed my life and wiped away my past,  
G D  
I want to shout it out, from every rooftop sing,  
C D  
For now I know that God is for me not against me.

Am G  
Everybody's singing now cause were so happy  
Am G  
Everybody's dancing now cause were so happy

Am G  
If I could only see Your face, See You smiling over us,  
C D  
and unseen angels celebrate, the joy is in this place.
