When darkness falls all around

 Dsus Em D
When the waves rise up against my soul

G D G D C
Straining just to see through the storm

 Dsus G
Searching for the way that leads me home

 C G D C
*You are the lighthouse that beckons me

 G D C
You are the power that strengthens me

 G D C
You are the fullness of deity

Em D C D G

You are Jesus my God

G D C
When I'm overwhelmed with my fears

 Dsus Em
When the doubts rise up within my soul

I will lift my eyes to the hope

 Dsus G
To the saving light that leads me home.*
