

The Lost Get Found (Capo 1)

by Britt Nicole

Am7 C G D
Hello my friend, I remember when you were
Am7 C G D
So alive with your wide eyes, Then the light that you had in your heart
Am7 C
was stolen. Now you say that it ain't worth staying
G D Am7
You wanna run but you're hesitating, I'm talking to me

(Chorus)

C G D Em
Don't let your lights go down, don't let your fire burn out
C G D
Cause somewhere, somebody needs a reason to believe
C G D Em C
Why don't you rise up now? Don't be afraid to stand out
D C G D C G D
That's how the lost get found, The lost get found

Am7 C G D
So when you get the chance, are you gonna take it?
Am7 C
There's a really big world at your fingertips
G D
And you know you have the chance to change it
Am7 C
There's a girl on the streets, she's crying
G D Am7
There's a man whose faith is dying, Love is calling you

(Bridge) Em C
Why do we go with the flow, or take an easier road?
G D Em
Why are we playing it safe? Love came to show us the way
C G D
Love is a chance we should take, I'm moving out of the way
