

The Old Man is Dead

by Del Way

C Am F G
Now and then, an old friend of mine, I've not seen for sometime,
C Am F G
will stop by and ask me, where've you been, what's on your mind,
F G C Am
They wonder why I'm not drinking, and still painting this old town red,
F G F G C
I tell them I'm serving Jesus now, and the old man is dead.

(Chorus)

F G C Am
The man you see before you may look a lot the same
F G C Am
I may wear the same old clothes, and still have the same old name
F G C Am
But you're looking on the outside, if you could see inside instead
F G F G C
you would see a brand new man, cause, the old man is dead.

C Am F G
I used to live such a wicked life, I had no hope in sight
C Am F G
I was lost in darkness, just searching for a light,
F C C Am
and then one night in a little church, after hearing what the preacher said,
F G F G C
I gave my life to Jesus, and the old man was dead.
