

Thou Oh Lord are a Shield (Psalm 3) (Capo 1)

Em D Em
How are they increased that trouble me
Am D Em
Many are they that rise up against me
Em D Em
Many there be which say of my soul,
Am D Em
There is no help for him in God.

(Chorus)

Am D Em
But Thou oh Lord are a shield for me
Am D Em
My glory and the lifter of my head
Am D Em
Thou oh Lord are shield for me
Am D Em
My glory and the lifter of my head

Em D Em
I cried unto the Lord with my voice
Am D Em
and He heard me out of His holy hill
Em D Em
I laid me down and slept, I awaked
Am D Em
For the Lord sustained me, for He sustained me.
