

Touch My Heart Again

by Eileen Jahna

G Em
I spent most of my life
C D
drifting day to day
G Em
I didn't realize
C D
all that Your love is worth,
G Em
with a humbled and a joyous heart
C D
I cried out Your name,
G
My Lord, my life,
Em
You touched my heart
C D
I'll never be the same.

G C D
Send your cleansing flood,
G C D
wash me in the blood,
G C D Em
wash away my sins and my pain
C D G
Oh Jesus, touch my heart again. (x2)
