

## What a Glorious Day

by Eileen Jahna

Am E Am E Am G Am  
My Jesus Christ, my Savior and King, How I long to see Your face  
Am E Am E Am G Am  
To walk with You, so close to Your side, to praise and to glorify You.

(Chorus)

Am F C G C G Am  
What a glorious, glorious day! What a glorious, glorious day!  
Am E Am E Am G Am  
When He shall come by faith and by sight, what a glorious, glorious day! (x2)

(Verse 2)

Am E Am E  
When the trumpet sound and the angels shout,  
Am G Am  
He shall be coming to us in the clouds  
Am E Am E  
What joy there will be, when He gathers us near,  
Am G Am  
all the saints will sing and shout. (Chorus)

(Verse 3)

Am E Am E Am G Am  
My Jesus Christ, my Savior and King, how I long to see Your face  
Am E Am E Am G Am  
I look to the day, when I'll hear you say "Enter in", what a glorious day!
