by Holland Davis

G                      Em  
You're all that I've ever wanted  
D                      C  
You're all that I ever need

And though I wasn't looking, You were after me  
                    Em                      Bm                      C                      D  
For Your love for me is eternal, And this I know is true  
G                      Bm                      Em                      D                      C                      D  
I could never repay the debt of love I owe to You

G                      Em  
For who is like the Lord my God?  
Bm                      D  
Compassionate and full of mercy  
G                      Em  
Who compares to Your great love?  
Bm                      Am7  
There's none in all the earth  
G                      Em  
I will sing of Your love and grace  
Bm                      D  
That covers all my guilt and shame  
C                      D                      G  
In all the earth, who is like the Lord?
