by Eileen Jahna

C F C G
In this world so cold and lonely, People going day to day
C F
Don’t you know He’s the one and only
C G
The way, the truth and the life, today

(Chorus)
G C F
Why don’t they know, Why don’t they care
C G
That Jesus died to set them free
C F
Why don’t they see, The gift that He brings
C G
They just turn and walk away (repeat x2)
C F C G C F C G C
Why don’t they care?

C F C G
In this life so cold and lonely, it’s so easy to feel alone
C F
Don’t you know who was sent to save you
C G
Don’t you see He’s the only way
