

# Your Grace is Sufficient for Me

by Eileen Jahna

C F  
I've been down I've been dry  
C F C G  
Troubles seem to be, the only thing to follow me  
C F  
But underneath it all I find  
C F  
The solid Rock on which I stand  
C G  
The Savior at God's right hand

C G F C  
When I don't have the strength to lift my hands in praise  
F C G  
Your grace is sufficient for me  
C G  
When I'm beaten down and feelin' old  
F C  
You still love me I'm told  
F G C  
Oh Your grace is sufficient for me.
